

## **Dream it • Create it • Live it**

*Save money by doing it yourself is a refreshing approach to living*

You dream of an outdoor living space that captures the warmth and style of your home all while being an extension to the interior. A place where family and friends can gather, grill delicious dinners and escape from the everyday stress and on-the-go lifestyle. You see gorgeous outdoor scenes in all of the home magazines and think to yourself: I can never afford that. Think again! By doing it yourself you can create your dream with the perfect hardscape products and not break your budget.

If your dream outdoor living space consists of elegant courtyard retaining walls with colors that blend seamlessly into a perfectly textured appearance, Belgard's BelAir retaining walls are perfect for you. Their multi-piece design allows for maximum versatility on sweeping curves, raised patios, terraces, steps and columns all while being easy to install yourself. BelAir retaining walls are the first step to creating your own outdoor living space because they match effortlessly with the style of your home.

To complete your dream outdoor living space, you will need the new Mega Lafitt pavers by Belgard. With the texture, look and feel of natural cut flagstone, modular shapes for ample design flexibility, easy installation, and long-term durability, Mega Lafitt is the ultimate combination of style and substance for creating patios and walkways. Step outside the ordinary with easy to install and affordable Mega Lafitt pavers by Belgard.

A Do-it-Yourselfer will be pleased to know that they have a chance to WIN a 20x20 outdoor living space consisting of Belgard's BelAir Retaining walls and Mega Lafitt pavers for a value of \$5,000 just by attending Belgard's FREE how-to-clinic at Brickyard Building Materials in Vacaville.
